Year 6: Summer 2

Does belief in Akhirah (life after death) help Muslims lead a good life?

Life after death

Muslims believe that when you die there is a judgment day.

Allah, who is perfect justice, will decide on your next step after looking at the evidence collected during your life.

The evidence is collected by 2 angels who record your thoughts words and deeds.

This belief should mean that Muslims try to do the right thing.

Allah will be fair and just, so your afterlife should be what you deserve.

Allah will be fair and just, consequently your afterlife should be what you deserve. The Qur'an says (Allah is) '1:4 'Master of the Day of Judgment'.

Jihad

Greater - This struggle is an inner one, against our own laziness, impatience and arrogance

Lesser - This struggle is an outer one, to establish justice on Earth and to 'root out evil'.

What do I think happens when life is over?

Why might some people believe in Heaven and Hell?

What other alternatives are out there?

How might this make a difference to how we live each day?
