The Night of Power	✓
A long time ago, Muslims believe this is the night when the Qur'an was first given to Prophet Muhammad. Because of that, it is seen as an extremely important and peaceful night.	
People try to spend it doing good things, like: • saying prayers • reading the Qur'an • saying kind words • asking for forgiveness • helping others	
It's called the "Night of Power" because Muslims believe that good deeds done on this night are worth much more than usual.
