Comic Sans MS 12 A<sup>+</sup> A<sup>-</sup>

### Sunday trip

It was a hot, sunny day so I went to th

**Flashing cursor** shows where to type.

**Auto-wrap** puts text on a new line automatically when you get to the edge of the page.

## Making Shapes with Bee-Bot

Remember Bee-Bot? We are going to use an **Algorithm** to make shapes. What is an algorithm?

Algorithm for making a hot chocolate:

1. Fill the kettle with water
2. Boil the water
3. Fill a mug with the boiled water
4. Add a teaspoon of cocoa powder
5. Add a drop of milk
6. Stir well

## Square

## Rectangle

## Privacy

- ✓ Only share with friends you know
- ✓ Favourite sports teams, movies or music.

- ✗ Remember: we **never** share our full name with anyone online.
- ✗ Things like where we live or where we go to school should **never** be shared with strangers.
