Multimedia: Creating my EBook

We will be: Drawing with different shapes and lines.
Ordering and grouping shapes and objects.

What is an effective layout?

Clear, easy to read, appropriate colours that go well together.

Key Vocabulary

Key Vocabulary		✓
Wrap text	A way of controlling how the text flows in a document, eg, around a picture.	
Format	The way images, texts and objects are arranged on screen.	
Layout	The plan or design or arrangement of something laid out.	
Object	An object can be a file, a chart or a spreadsheet.	
Publisher	Software used to design a document, a poster, a card, an invitation, etc.	
QR Code	Information stored on a grid using pixels. Can be read by a machine like a phone camera.	

What should I already know about keeping safe?

- ✓ Be nice and friendly when online.
- ✓ Only chat with people you know.

- ⊗ Some people can be unkind online.
- ⊗ This can make others feel unhappy, sad and lonely.
- ⊗ If someone is unkind **several times on purpose** then this could be bullying (STOP!)

- ✓ If we see this, then we must tell a trusted adult.
