# Art

## Autumn: Year 4

### Wall Paintings

### Stone Age Art/Keith Haring

Most cave paintings were of animals or hunters.

They used natural colours from mineral pigments.

Some of those original pigments such as red ochre are still used in artwork in countries such as Namibia.

Keith Haring was an American artist who started by doing graffiti art.

Keith Haring's artwork was known as Pop Art.

Keith Haring became interested in art when he was a young boy.

### Keith Haring

### Key Vocabulary

**Stone Age Cave Painting** Paintings found on walls in caves and shelters dating back to the Ice Age.

**Street Art** A form of art displayed on public buildings, walls and other public surfaces.
