Understanding the World

The Local Area

Know some similarities and differences between things in the past and now in the local area.

To know about an old building in the local area eg, North Petherton Church.

To know about how the local area has changed eg, new houses being built.

Environments

To know the names of some nocturnal animals.

To know some of the differences between day and night.

To know the names of the seasons and use vocabulary associated with different weather in their play.

To know where bears live in the wild and what a cave is.

To know where bees live and where honey is found.

To know that there is an observable difference between places they have visited/live.

To draw information from a simple map. Children to choose to draw simple maps of their immediate environment, or maps from imaginary story settings they are familiar with.

To guide children's understanding of the weather and seasonal features.

To provide opportunities for children to note and record the weather.
