Friday 10th October 2025

Dear Parent/Carer,

Year 5 'Gaia' experience

We are planning to take the children in Year 5 to experience '**Luke Jerram's Gaia**' at Bridgwater Town Hall on **Tuesday 4th November 2025**.

Suspended within the Town Hall's historic interior, Gaia is a breath-taking 7-metre-diameter sculpture of the Earth, created using high-resolution NASA imagery. The installation offers the children a chance to see our planet as if viewed from space, inspiring reflection on the beauty and fragility of our shared home. The children will have a chance to look at the installation and can ask any questions they may have. There is no charge for this experience.

We will be walking to Bridgwater Town Hall and aim to leave school promptly by at **9:15am**. **Please ensure children arrive at school at 8:45am**. We will be expecting to return to school at **12:15pm** in time for lunch.

Your child will need to wear their school uniform, sturdy footwear and will need to bring a waterproof coat with them.

We hope the children enjoy their 'Gaia' experience, as it is a fantastic way to learn more about the solar system and links perfectly to our learning about space in Year 5.

Yours faithfully,

Mrs Burdett, Mrs Stone and Miss Strode

Year 5 Teachers
