**Headteacher:** Mr Kevin Bryant

Thursday 18<sup>th</sup> December 2025

Dear Parent/Carer,

### **Year 6 Space Odyssey Planetarium Dome workshop**

We are excited to announce that Simon Ould and the Space Odyssey Planetarium Dome will be visiting the children in Year 6 on **Tuesday 24<sup>th</sup> March 2025** to deliver a workshop which will support them with their Science topic work on evolution during the Spring term.

The children will enjoy entering the dome to view high-resolution images, movies and sophisticated computer simulations projected throughout to create a breathtakingly immersive and inspirational learning experience focused on the science of evolution!

On this occasion we ask for a voluntary contribution of **£5.83** to help cover the cost of this workshop. Please make your contribution through the MCAS (MyChildAtSchool) app. If you have not signed up to MCAS, please request a link from the School Office. Please be aware that if sufficient contributions are not received by **Friday 13<sup>th</sup> February** this experience may be cancelled.

Please do not hesitate to contact your child's teacher if you would like any further information about the experience.

We hope that the children enjoy their visit from the planetarium - this is a fantastic way to enrich their understanding of their Spring topic.

Yours faithfully

Miss Strode, Mrs Argrave and Mrs Penfold  
Year 5 and Year 6 Teachers
