Aspire - Brave - Care - Collaborate

Design and Technology – Year 1

Key Vocabulary

Key Learning

Know what a puppet is for.

Know what puppets are made from.

Say what we do and do not like about puppets.

Know that we can plan a design for our puppet before we make it.

Know what we need to make my puppet.

Know how to use glue, tape or staples to join parts of my puppet.

Know how to spot how to make my puppet better when we are making it.

Puppets

Puppets are a model of a person or animal that can be moved.

Puppets can be moved by using strings or putting it on your hand or a stick.

Hand Puppets

String Puppets

Stick Puppets

Plan	Thinking about what you are going to make first. You can draw or write a plan.	
Materials	The things you will use to make your puppet.	
Purpose	What the puppet is for. Who the puppet is for.	
Edit Change	When you know something is not working and you make it better.	
Evaluate	When you look carefully at your puppet and think about what works well and what could be made better.
