

Somerset Bridge Primary School
Aspire - Brave - Care - Collaborate

Art - Year 1

Key Vocabulary

Print	Making marks on one piece of material and pressing this on a piece of paper to make a mark.	
Material	The different things an artist uses to make art.	
Pattern	Is a design with shapes and lines that is repeated.	
Repeated	When something is done again in the same way.	
Smooth	When something is flat without bumps.	
Collage	Gluing pieces of paper or material together to make a picture or piece of art.	
Scene	A place where something takes place. Such as a beach.	
Observe	To see something and remember it.	
Texture	What a surface or material feels like.	

Collage Examples

Key Skills

You can make a print by making marks on paper.

Different materials can be used to make prints, such as fruit and even Lego!

Prints can be made using repeated patterns.

When you make a collage, you can cut and tear off different pieces of material to use.

The different pieces of materials are arranged in layers to form a picture.

Making Prints
